

## LINK UP WITH GROUP PLANNERS ON OUR ALL-BUSINESS WEB SITE.

[www.GroupTourMagazine.com](http://www.GroupTourMagazine.com) is the online travel planning resource for the group tour industry. Planners use our searchable Supplier Web pages to quickly find the specific information they need to build an itinerary. By presenting your business in our standardized database, tour planners will quickly get an overview of all the services you offer.

### Every Supplier Web page can include:

- a color logo and photo (or two photos)
- a 75-word description (*Not shown in example at left. You choose what information to post.*)
- listings of your tour services
- listings of nearby attractions
- complete contact information including a vCard
- e-mail and Web site links
- profile information including hours, memberships, rates, fees, deposit, payment, and cancellation policies
- interactive locator map
- indexing so when a planner searches for a supplier in your state, category, or with your keywords, your page will immediately be presented
- links to magazine articles and itineraries that feature your state

**\$500** for one year

You will automatically receive a Web page absolutely FREE just for purchasing a full annual contract in any of our publications. A full annual contract is a four-time run in consecutive issues of *Group Tour Magazine* or a three-time run in consecutive issues of *Student Group Tour Magazine*.
